LOGITROL™

Two independent systems for automatic or manual control of all operations.

- * Easiest to use control panel on the market.
- * Every switch is labeled in English (no hard-to-decipher international symbols).
- * Both air-flow and solvent-flow maps make it easy to run AERO-TECH manually and training time is reduced to a few minutes.
- * Self-diagnostic panel makes trouble-shooting easy.
- * CAPACITIES: 25 lb, 35 lb, 40 lb and 50 lb.
